THE RECORD IS AN EXPONENT
OF JEFFERSONIAN DEMOCRACY
PURE AND UNDEFILED.

All advertisements to insure insertion in the same day's issue of The Record should be in the printers' hands before eleven o'clock in the morning. Orders for taking out any standing ad. should also be in the office by eleven o'clock to prevent its being run that day.

The Democratic mule is not complaining of its load.

Now for the oil wells and the new railroad. All together. Pull.

We believe it is not customary for the county to collect taxes on government lands.

Well, it's over, and the Mummy can go to Santa Fe and visit the editor of the New Mexican.

Recently the Republican organ was praising County Surveyor V. R. Kenney, but the tune has changed.

Wonder how much taxes the Hawkeye statesman pays, and what he has done in the development of the Pecos Valley. Don't mention it.

Mr. Wetmore being engaged in the abstract business, nominally at least, is naturally jealous of an abstracter who really does business.

If Wetmore were elected to a county office he certainly never could hold it for more than one term on his showing of accuracy in figures. But more about this later.

Perhaps the Republican committee has reason to envy Col. Ballard his good standing with President Roosevelt. The committee has no standing either at Washington or in New Mexico.

In spite of lack of practice together, the Carnival Band went through the week with flying colors. It is stated that a permanent organization will be formed and several new instruments ordered.

There will be good Christian sermons in all the Roswell churches tomorrow. Most of them will be given by Methodists, so-called, but there is no doctrine at all in real Christianity. It is all truth and life and love of God and humanity.

As for Major Mark Howell's competency and skill in book-keeping, The Record notes that even the Republican sheriff had to call him in as deputy when his books needed fixing. This story, too, will have an additional chapter.

The Santa Fe railroad is making all kinds of war on Ticket Scalper Ingersoll of Roswell. If they would train their guns for a short time upon the exorbitant freight rates existing here it would be of vastly more benefit to people of the Valley.—Artesia News.

We presume that Mr. Wetmore is trying to create the impression that Deputy County Treasurer George L. Wyllis is "knocking" against the election of Smith Lea. Don't believe a word of it. Wyllis is a Democrat, and Lea is one of the most efficient treasurers the county ever had.

Just what the Hawkeye statesman means by placing a question mark after the name of Judge Evans is not clear. But there is no question in regard to his re-election. He received more than enough votes at the primaries to elect him, even if those who voted for the other two candi-

dates for the nomination should vote the Republican ticket—which they will not do.

We might remark that Johnnie Peck will hold his office as assessor for another term regardless of Republican office hunger. The duties of the office have been satisfactorily performed at all times, and we have even as good Republican authority as the Santa Fe New Mexican for the statement that the assessment of Chaves county is the fairest in New Mexico.

Having been in the newspaper business about twenty years, the editor of the Record has learned that it never pays to lose one's temper, no matter what the other fellow says. The New Mexican, is older, of course, but its editor has not yet developed the sense of humor, and cannot understand why other newspapers consider the New Mexican the funniest paper in the Territory.

An irresponsible weekly publication, edited by a renegade Democrat, this week published some statements which even the editor of the sheet was not willing to stand for, over the signature of the Republican central committee, attacking the personal integrity and public records of Democratic officials. The stuff was prepared of course by Ira P. Wetmore, who still clings to the old notion that abuse and deception is good campaign argument. The Democratic committee and the Democratic candidates will pay no attention to the personal element of the charges, but false and misleading statements will be pointed out.
